- 2. Please proceed with resolution.

Resolution:

(4) Extempore motion

(5) Adjournment

### **«Attachment 1»** Business Report

Dear shareholders, distinguished guests:

Major industry in Taiwan anticipated the prosperity this year as follows: Global coronavirus epidemic (COVID-19) has made a huge impact on global macroeconomy. The sales market for terminal products of electronics industry have reduced obviously and the investment in the industry reduced as well. It is estimated that the Company can only maintain stable state this year. To become the staunchest backing of our customers, the Company as a professional agent of electronics industry has maintained existing advanced equipment, materials and general agent of key components and parts and actively crossed to new production field in the electronics industry to grow jointly with customers and suppliers.

The performance in 2019 grew significantly compared with the previous two years. In the future, we will continue to adhere to the solid operation, and endeavor to maintain profitability by controlling operating costs and improving business performance. The results of the 2019 business are as follows:

The consolidated operating income of the Company as of December 31, 2019 was NTD 1,154,228 thousand, an increase of 1.55% compared with NTD 1,136,575 thousand in 2018. The net profit attributable to owners of the parent company was NTD 76,441 thousand, which was 29.20% increase from NTD 59,165 thousand in 2018. The earnings per share was NTD 2.11, an increase of 29.45% from NTD 1.63 in 2018.

Under the global concern about corporate social responsibility and environmental protection issues, Taiwan Kong King will fulfill its corporate social responsibility with a sense of mission to society. In order to protect the earth, we will continue to introduce the most advanced green energy equipment, materials and key technologies from the electronics industry to the Taiwan market to provide products with low energy consumption and high production value.

Finally, I would like to thank all the shareholders of Taiwan Kong King. With the long-term support of the shareholders and the efforts of the company's employees, I believe Taiwan Kong King can continue to grow in stability. I wish you good health and good luck!

Taiwan Kong King Co., Ltd.

Chairman: Ho, Shu-Chan

General Manager: Liao, Hung-Ying

Accounting Supervisor: Zhou, Cui-Xia

# 《Attachment 2》 Supervisors' Review Report Taiwan Kong King Co., Ltd. Supervisors' Review Report

### **《Attachment 3》** Consolidated Financial Statements and Independent Auditor's Report

#### Independent Auditors' Report Translated from Chinese

To TAIWAN KONG KING CO., LTD.

#### Opinion

We have audited the accompanying consolidated balance sheets of TAIWAN KONG KING CO., LTD and its subsidiaries (the "Company") as of December 31, 2019 and 2018, and the related consolidated statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2019 and 2018, and notes to the consolidated financial statements, including the summary of significant accounting policies (together "the consolidated financial statements").

In our opinion, based on our audits and the reports of other auditors (please refer to the *Other Matter* – *Making Reference to the Audits of a Component Auditors* section of our report), the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of the Company as of December 31, 2019 and 2018, and its consolidated financial performance and cash flows for the years ended December 31, 2019 and 2018, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

#### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China (the "Norm"), and we have fulfilled our other ethical responsibilities in accordance with the Norm. Based on our audits and the reports of other auditors, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in

our audit of 2019 consolidated financial statements. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Allowance for impairment losses of accounts receivables

Accounts receivables and allowance for impairment losses by the Company and its subsidiaries amounted to NT\$166,733 thousand and NT\$449 thousand as of December 31, 2019, respectively. The net amount of accounts receivables was approximately 15% of total assets and which is significant to the Company. Considering the assessment of allowance for impairment losses is measured by lifetime expected credit loss; the process of measurement must appropriately divide accounts receivables into groups, determine and analyze the use of relevant assumptions in the process of measurement, including appropriate aging intervals, the aging loss rate for each interval and the use of forward-looking information, that reflected the measurement of the expected credit loss involving judgment, analysis and estimates, and the result of measurement affect the net amount of accounts receivables, we determined this as a key audit matter.

Our audit procedures included, but not limited to, evaluating whether the accounting policy and the loss rate are reasonable; when performing internal control, randomly selecting sales orders and vouching them to aging schedule to ensure the accuracy of aging intervals of accounts receivables; confirming whether the customer properly grouped by significantly different loss types, and evaluating the reasonableness of management's estimates of assumptions; testing provision matrix, including evaluating the appropriateness of aging intervals and the accuracy of raw data by vouching them to supporting evidences, testing statistical information for the credit loss rate computed by roll rate over a one-year period, considering the reasonableness of forward-looking information used on the credit loss rate, and evaluating whether such forward-looking information would affect credit loss rate. In addition, performing the analytical review procedure to identify whether any material unusual fluctuations between the two-period of accounts receivables turnover exist. Also, reviewing the collections of accounts receivables during the subsequent period for customers with material period-end balances.

We also assessed the adequacy of disclosures of accounts receivables. Please refer to Note 5, 6 and 12 to the Company's consolidated financial statements.

#### Valuation of inventories

Net inventories by the Company and its subsidiaries amounted to NT\$69,016 thousand, was approximately 6% of total assets as of December 31, 2019 and which is significant to the Company. Considering the possibility of impairment of the inventory driven by economic conditions, the industry competition, and the unexpected decrease of total sales, we determined this as a key audit matter.

Our audit procedures included, but not limited to, understanding the internal control of management's inventory valuation process. When performing internal control, sampling purchase orders and vouching them to supporting evidences to ensure the inventory aging and the calculation of write-downs from slow-moving inventories are accurate and reasonable; performing the analytical review procedure to assess whether any material unusual fluctuation of ending balances, inventory turnover and gross margin per product between the year ended December 31, 2019 and the prior year exists; sampling sales orders and purchase orders to verify the calculation of allowance for inventory valuation losses to evaluate whether the valuation of inventories is appropriate.

We also assessed the adequacy of disclosures of inventories. Please refer to Note 4, 5 and 6 to the Company's consolidated financial statement.

#### **Other Matter – Making Reference to the Audits of Component Auditors**

We did not audit the financial statements of certain subsidiaries. Those financial statements were audited by other auditors, whose reports thereon have been furnished to us, and our opinions expressed herein are based solely on the reports of other auditors. These assets of NT\$132,797 thousand and NT\$165,053 thousand, constituting 13% and 16% of consolidated total assets as of December 31, 2019 and 2018, respectively. The operating revenues from the subsidiaries amounted to NT\$41,789 thousand and NT\$31,232 thousand, constituting 4% and 3% of consolidated operating revenues for the years ended December 31, 2019 and 2018, respectively.

#### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and International Financial Reporting Standards, International Accounting Standards, Interpretations developed by the International Financial Reporting Interpretations Committee or the former Standing Interpretations Committee as endorsed by Financial Supervisory Commission of the Republic of China and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the ability to continue as a going concern of the Company and its subsidiaries, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company and its subsidiaries or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee or supervisors, are responsible for overseeing the financial reporting process of the Company and its subsidiaries.

#### Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial

statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Company and its subsidiaries.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern of the Company and its subsidiaries. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company and its subsidiaries to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the accompanying notes, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company and its subsidiaries to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all

relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of 2019 consolidated financial statements and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

#### Other

We have audited and expressed an unqualified opinion including an Other Matter Paragraph on the parent company only financial statements of the Company as of and for the years ended December 31, 2019 and 2018.

HSU, JUNG-HUANG

CHANG, CHIH-MING

Ernst & Young, Taipei, Taiwan March 24, 2020

#### Notice to Readers

The accompanying consolidated financial statements are intended only to present the financial position, results of operations and cash flows in accordance with accounting principles and practices generally accepted in the Republic of China and not those of any other jurisdictions. The standards, procedures and practices to audit such consolidated financial statements are those generally accepted and applied in the Republic of China.

Accordingly, the accompanying consolidated financial statements and report of independent accountants are not intended for use by those who are not informed about the accounting principles or auditing standards generally accepted in the Republic of China, and their applications in practice. As the financial statements are the responsibility of the management, Ernst & Young cannot accept any liability for the use of, or reliance on, the English translation or for any errors or misunderstandings that may derive from the translation.

### **《Attachment 4》** <u>Stand-alone Financial Statements and Independent</u> <u>Auditor's Report</u>

#### Independent Auditors' Report Translated from Chinese

#### To TAIWAN KONG KING CO., LTD.

#### Opinion

We have audited the accompanying parent company only balance sheets of TAIWAN KONG KING CO., LTD. (the "Company") as of December 31, 2019 and 2018, and the related parent company only statements of comprehensive income, changes in equity and cash flows for the years ended December 31, 2019 and 2018, and notes to the parent company only financial statements, including the summary of significant accounting policies (together "the parent company only financial statements").

In our opinion, based on our audits and the reports of other auditors (please refer to the *Other Matter – Making Reference to the Audits of a Component Auditors* section of our report), the parent company only financial statements referred to above present fairly, in all material respects, the financial position of the Company as of December 31, 2019 and 2018, and its financial performance and cash flows for the years ended December 31, 2019 and 2018, in conformity with the requirements of the Regulations Governing the Preparation of Financial Reports by Securities Issuers and the International Financial Reporting Standards (IFRS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

#### **Basis for Opinion**

We conducted our audits in accordance with the Regulations Governing Auditing and Attestation of Financial Statements by Certified Public Accountants and auditing standards generally accepted in the Republic of China. Our responsibilities under those standards are further described in the *Auditors' Responsibilities for the Audit of the parent company only Financial Statements* section of our report. We are independent of the Company in accordance with the Norm of Professional Ethics for Certified Public Accountant of the Republic of China (the "Norm"), and we have fulfilled our other ethical responsibilities in accordance with the Norm. Based on our audits and the reports of other auditors, we believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of 2019 parent company only financial statements. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and

we do not provide a separate opinion on these matters.

#### Allowance for impairment losses of accounts receivables

Accounts receivables and allowance for impairment losses by the Company amounted to NT\$146,665 thousand and NT\$449 thousand as of December 31, 2019, respectively. The net amount of accounts receivables was approximately 14% of total assets and which is significant to the Company. Considering the assessment of allowance for impairment losses is measured by lifetime expected credit loss; the process of measurement must appropriately divide accounts receivables into groups, determine and analyze the use of relevant assumptions in the process of measurement, including appropriate aging intervals, the aging loss rate for each interval and the use of forward-looking information, that reflected the measurement of the expected credit loss involving judgment, analysis and estimates, and the result of measurement affect the net amount of accounts receivables, we determined this as a key audit matter.

Our audit procedures included, but not limited to, evaluating whether the accounting policy and the loss rate are reasonable; testing provision matrix, including evaluating the appropriateness of aging intervals and the accuracy of raw data by vouching them to supporting evidences, testing statistical information for the credit loss rate computed by roll rate over a one-year period, considering the reasonableness of forward-looking information used on the credit loss rate, and evaluating whether such forward-looking information would affect credit loss rate. When performing internal control, randomly selecting sales orders and vouching them to aging schedule to ensure the accuracy of aging intervals of accounts receivables; confirming whether the customer properly grouped by significantly different loss types, and evaluating the reasonableness of management's estimates of assumptions. In addition, performing the analytical review procedure to identify whether any material unusual fluctuations between the two-period of accounts receivables turnover exist. Also, reviewing the collections of accounts receivables during the subsequent period for customers with material period-end balances.

We also assessed the adequacy of disclosures of accounts receivables. Please refer to Note 5, 6 and 12 to the parent company only financial statements.

#### Valuation of inventories

Net inventories by the Company amounted to NT\$27,334 thousand, was approximately 3% of total assets as of December 31, 2019 and which is significant to the Company. Considering the possibility of impairment of the inventory driven by economic conditions, the industry competition, and the unexpected decrease of total sales, we determined this as a key audit matter.

Our audit procedures included, but not limited to, understanding the internal control of management's inventory valuation process. When performing internal control, sampling purchase orders and vouching them to supporting evidences to ensure the inventory aging and the calculation of write-downs from slow-moving inventories are accurate and reasonable; performing the analytical review procedure to assess whether any material unusual fluctuation of ending balances, inventory turnover and gross margin per product between the year ended December 31, 2019 and the prior year exists; sampling sales orders and purchase orders to verify the calculation of allowance for inventory valuation losses to evaluate whether the valuation of inventories is appropriate.

We also assessed the adequacy of disclosures of inventories. Please refer to Note 4, 5 and 6 to the parent company only financial statement.

#### **Other Matter – Making Reference to the Audits of Component Auditors**

We did not audit the financial statements of certain subsidiaries, associates and joint ventures accounted for under the equity method. Those financial statements were audited by other auditors, whose reports thereon have been furnished to us, and our opinions expressed herein are based solely on the reports of other auditors. These subsidiaries, associates and joint ventures under equity method amounted to NT\$79,059 thousand and NT\$105,107 thousand, representing 8% and 10% of total assets as of December 31, 2019 and 2018, respectively. The related shares of profits (loss) from the subsidiaries, associates and joint ventures under the equity method amounted to NT\$(9,695) thousand and NT\$(25,426) thousand, representing (10)% and (34)% of the income before tax for the years ended December 31, 2019 and 2018, respectively, and the related shares of other comprehensive income (loss) from the subsidiaries, associates and joint ventures under the equity method amounted to NT\$(15,186) thousand and NT\$(3,505) thousand, representing 94% and 67% of the comprehensive income (loss) for the years ended December 31, 2019 and 2018, respectively.

#### **Responsibilities of Management and Those Charged with Governance for the Parent Company Only Financial Statements**

Management is responsible for the preparation and fair presentation of the parent company only financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers and for such internal control as management determines is necessary to enable the preparation of parent company only financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the parent company only financial statements, management is responsible for assessing the ability to continue as a going concern of the Company, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee or supervisors, are responsible for overseeing the financial reporting process of the Company.

#### Auditors' Responsibilities for the Audit of the Parent Company Only Financial Statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with auditing standards generally accepted in the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements.

As part of an audit in accordance with auditing standards generally accepted in the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 7. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 8. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the internal control of the Company.
- 9. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 10. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability to continue as a going concern of the Company. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 11. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the accompanying notes, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 12. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Company to express an opinion on the parent company only financial statements. We are responsible for the direction, supervision and performance of the

group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of 2019 parent company only financial statements and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

HSU, JUNG-HUANG

Article 16	<u>The 5th amendments were made</u> on June 15, 2020.		Add the date of revison

#### **《Appendix 1》** TKK Rules and Procedure of Shareholders' Meeting

- Article 1 The shareholders' meeting shall be handled in accordance with these rules, unless otherwise provided by the law.
- Article 2 The Company shall prepare an attendance book for shareholders to sign in, or the shareholder present may hand in an attendance card in lieu of signing on the attendance book.

The number of shares in attendance is calculated according to the signature book or the signed card and the shareholding of the voting rights in writing or electronically.

- Article 3 Voting and attendance at a shareholders' meeting shall be calculated based the number of shares.
- Article 4 The venue for the shareholders' meeting shall be within the premises of the Company, or a place easily accessible to shareholders and suitable for a shareholders' meeting. The meeting may begin no earlier than 9 a.m. and no later than 3 p.m.
- Article 5 If a shareholders meeting is called by the board of directors, the board chairman shall preside at the said shareholders meeting. In case the chairman is on leave of absence, or cannot exercise his powers and authority, the vice chairman shall act in lieu of him. there is no vice chairman, or the vice chairman is also on leave of absence, or cannot exercise his powers and authority, the chairman shall designate a managing director to act in lieu of him; if there is no managing director, the chairman shall designate a director to act in lieu of him. the chairman does not designate a director, the managing directors or directors shall elect one from among themselves to act in lieu of the chairman. If a shareholders meeting is called by any other person than the board of directors, who has the right to call the meeting, said person shall preside at that meeting.
- Article 6 The Company may designate its lawyer, certified public accountant or other relevant persons to attend the shareholders meeting. Those handling the business of a shareholders meeting shall wear an identification card or a badge.
- Article 7 The Company shall record with an audio or video tape the whole proceedings of the shareholders meeting, and said video tape or audio tape shall be kept for at

least one year.

- Article 8 When it is time to convene a shareholders meeting, the chairman shall immediately convene the meeting, provided, however, that if the shareholders present do not represent a majority of the total amount of issued shares, the chairman may postpone the meeting, provided, however, that the postponement of the said meeting shall be limited to two times, and the total time postponed shall not exceed one hour. If the meeting has been postponed for two times, but the shareholders present still do not represent a majority of the total amount of issued shares, a tentative resolution may be adopted in accordance with Paragraph 1 of Article 175 of the Company Act by shareholders representing one-third of the total amount of issued shares. Before the close of the said meeting if the shareholders present represent a majority of the total amount of issued shares, the chairman may present the tentative resolution so adopted to the meeting for resolution in accordance with the provisions of Article 174 of the Company Act.
- Article 9 If a shareholders meeting is called by the board of directors, the proceedings of the meeting shall be formulated by the board of directors, and the meeting shall be proceeded with in accordance with the said proceedings. The proceedings shall not be changed without a resolution made by the shareholders meeting. If a shareholders meeting shall be called by any other person than the board of directors, the preceding provisions shall apply mutatis mutandis to the said meeting. The chairman shall not adjourn a meeting without resolution adopted by shareholders if the motions (including extraordinary motions) covered in the proceedings so arranged in the above two Paragraphs shall not have been resolved. After close of the said meeting, shareholders shall not elect another chairman to hold another meeting at the same place or at any other place. However, if the chairman violated the rules of procedure and adjourn the meeting , it is possible to be adopted by a majority vote of the shareholders' voting rights to elect one person to serve as the chairman to continue the meeting.
- Article 10 A shareholder wishing to speak in a shareholders meeting shall first fill out a slip, specifying therein the major points of his speech, his serial number as a shareholder (or number of attendance) and his name, and the chairman shall determine his order of giving a speech. A shareholder who submits his slip for a

speech but does not actually speak shall be considered as not having given a speech. If the contents of his speech shall be different from those specified on the slip, the contents of his speech shall prevail. When a shareholder is giving a speech, the other shareholders shall not interrupt unless they have obtained the prior consent from the chairman and the said shareholder, and the chairman may prevent others from interrupting.

- Article 11 A shareholder shall not speak more than two times for one motion, unless he has obtained the prior consent from the chairman, and each speech shall not exceed 5 minutes. If a shareholder violates the above provisions or his speech exceeds the scope of the motion, the chairman may prevent him from doing so.
- Article 12 A corporate shareholder being entrusted to attend in a shareholders meeting may designate only one representative to represent it in the meeting. If a corporate shareholder which designates two or more representatives to represent it at the shareholders meeting, only one of the representatives so designated may speak on any one motion.
- Article 13 After a shareholder has given a speech, the chairman may personally or designate relevant person to respond.
- Article 14 When the chairman considers that the discussion for a motion has reached the extent for making a resolution, he may announce discontinuance of the discussion and submit the motion for resolution.
- Article 15 The persons for supervising the casting of votes and the counting thereof for resolutions shall be designated by the chairman, provided, however, that the person supervising the casting of votes shall be a shareholder. The results of resolution shall be announced in the meeting, and recorded in the meeting minutes.
- Article 16 During the proceedings of a meeting, the chairman may consider the schedule and announce for a break.
